

Edward George Click! Colours Workshops

Boost success in leadership, change management, relationships and productivity.

Struggling with team dynamics, client relationships or business performance?

Do you find there are some people you get along with straight away while others can drive you around the bend? What is it that makes us 'click' and how can we harness and nurture the talents of each individual in our team to maximise results?

Edward George is an Accredited Facilitator of Click! Colours and offers a range of full day and half day workshops. Click! Colours is designed to be fun and bring out the best in your people. Our tailored Click! Colours workshops help organisations to understand the true value of team diversity. Creating the right blend of people power will enable you to capitalise on your high functioning team, reduce conflict and allow everyone to shine.

Left Brain	Right Brain

 <p>GREEN Safekeepers</p> <p>✓ Be clear, organised and punctual, and take into account possible risks.</p> <p>BE ORGANISED</p>	 <p>RED Carers</p> <p>✓ Be friendly and genuine, express your feelings, and show empathy for others.</p> <p>SHOW EMPATHY</p>

Edward George Click! Colours workshops are highly interactive and deliver real benefits. You will have the knowledge and practical tools to:

- **Improve retention, performance and results.** Good leaders realise individual strengths and talents and work on limitations to benefit the team and the business. Know your team, understand what drives them and keep them engaged.
- **Nurture morale and team cohesiveness.** A connected team is a successful team. Your people will better understand how to communicate effectively with each other and enhance the overall quality of the relationships in your workplace.
- **Deepen client relationships.** Recognising distinct client personality preferences will help your team to strengthen their business relationships and modify their engagement style.
